

Account alarm: Configure in just a few steps

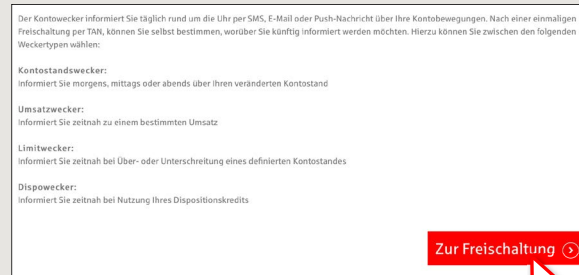

www.spk-cham.de/kontowecker

Sparkasse
im Landkreis Cham

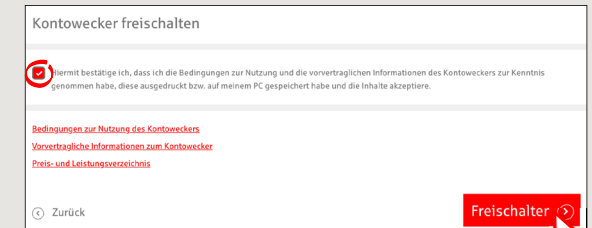

1 Log on to online banking. The alarm option is available under “online banking” → turnover (“Umsätze”).

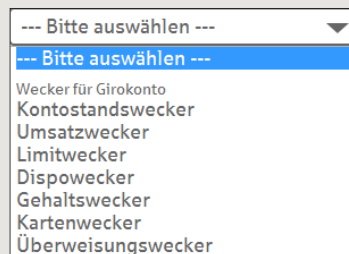

2 For initial configuration, you must enable the account alarm option. Tap enable (“Zur Freischaltung”).

3 Use the checkbox to confirm you have read the legal information and documents. Tap enable (“Freischalten”) and confirm activation by entering your TAN.

4 These account alarms are available:

To configure a new alarm, select an alarm type from the list and click on “+”.

5a How to set an account balance alarm: Enter a name for the alarm. Select the account for which you wish to set an alarm and enter a notification period.

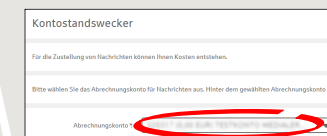

Select an existing email address or push notification* using **Notification to (“Benachrichtigung an”)**. If you wish to create a new recipient address (email or push notification), tap “+”.

If you have just created the required recipient address or if it already exists, select it from the list and tap **Next (“Weiter”)**.

*Push notification: A message that is sent to you via the Sparkassen app.

5b Select an account for the notifications.

5c Check the details and activate the account alarm by tapping **Set alarm (“Wecker stellen”)**.

DO YOU HAVE ANY FURTHER QUESTIONS? WE ARE HAPPY TO HELP YOU.

Central service call number: You can contact us under 09971 481-0 Mon – Fri from 8 am – 6 pm.
